As you maybe aware, the Berwick City Cougars Baseball Club has not had a women's team playing here for over 10 years. With the help of some players from Springvale & Doncaster, we will be entering 2 teams this year in Division 1.

As you can imagine to start from scratch again, it is very costly, so we are holding this fundraiser to help pay for these teams to get up and running. So with your support we will be able to continue Women's baseball in the future years for the Berwick Cougars.

**Contact Gill for tickets or donations on 0412 553 951  
or see Jolene in the canteen on Sundays between 8.00am & 6.00pm.**
